Sponge Print Butterflies

Check out this fun and easy stamping technique!

You will need

- Paint (acrylic or poster)
- Kitchen sponges – 1 per butterfly design
- Hair tie – 1 per butterfly
- Paper

How to

1. Scrunch sponge and tie in the center with a hair elastic
2. Squirt paint in assorted colors directly onto one side of the butterfly
3. Fold and squish together creating a symmetrical pattern
4. Stamp the side covered in paint onto paper
5. Paint in the detail of a body and antennae (optional)
