Supplies:

Printer
Paper
Crayons or markers
Scissors
Glue

Directions:

Print the hands on your printer. Color the hands and fill out the back on the blank lines. Cut out the hands and the strip of words on the grey dotted line. Fold the words like an accordion using the black lines as guides. Glue the back of the "t" to the first hand and The back of the "h!" to the second hand on the blank side. Hands will fit together to create your card.
