

4th of July Confetti Shooter

Supplies:

Paper, printer, scissors, markers or crayons, 1–2 empty toilet paper rolls, small balloons, confetti, glue or spray mount, tape

Directions:

Print the above patterns and color the pictures.

Cut on dotted line.

Glue one of the pictures around the toilet paper roll to cover, as shown.

Tie a knot in the balloon at the bottom, then trim off the top and discard.

Stretch the knotted end of the balloon around the tube at one end and tape it to the roll, as shown.

Fill the open end of the tube with confetti.

Pull the balloon tab and release to make the confetti fly!
