LIFE WITHOUT DAIRY  
ISN'T SUSTAINABLE.  
SO WE'RE MAKING DAIRY  
MORE SUSTAINABLE.

# Welcome to the Colorful World of Dairy!

Hey there! As you dive into the vibrant pages of this coloring book, you're embarking on a journey of discovery. We're not just talking about colors and designs, but a real adventure into the heart of dairy's role in our sustainable future. As you color, you'll learn about the positive changes the dairy industry is making, like water recycling and reducing emissions, making your favorite treats better for the planet.

So let's start coloring! Remember, life without dairy isn't sustainable, and that's why we're committed to making dairy more sustainable and delicious for everyone. Let's paint a sustainable and flavorful future together!
